All WellCare of Kentucky approved training/education materials are posted on the NIA website, www.RadMD.com. New users must create a RadMD account ID and password to access these web-based documents.

To get started, go to www.RadMD.com, click the *New User* button and submit a *RadMD Application for New Account*. Once the application has been processed and a password link delivered by NIA via e-mail, you will be invited to create a new password.

Links to the approved training/education documents are found on the My Practice page for providers logged in as an Imaging Facility and among the RadMD Menu Options for those logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
